ATTORNEYS

BUSINESS PROFILE

NOZIPHO ZWANE ATTORNEYS

NOZIPHO ZWANE ATTORNEYS – A YOUNG SPECIALIST FINANCIAL SERVICES LAW FIRM.

We offer specialised financial services and compliance support to financial services providers operating predominantly in the microinsurance sector. Our expertise lies within the Financial Services Regulatory space. Our target clients are Funeral Services provider that provide burial services in South Africa; Category I and IV Financial Services Providers and Micro Insurers.

WHY DO WE EXIST

With the continuous changes in regulations in the microinsurance sector in South Africa, a need for legal and compliance support for funeral services providers and funeral administrators is crucial as they require on-going legal and compliance support. The vision of the firm is to be the Legal and Compliance partner of choice, supporting and assisting our clients with legal advisory services, regulatory compliance support and Ombudsman and FAIS Ombuds complaints. Our clients are assured that we are not only their legal advisor but their long term business partner.

- CLIENT-CENTRICITY
- EXCELLENCE

We recognise that our clients require more than just legal advice, we are not just their legal advisor but their long-term business partner

Our objective is to make a difference by impacting positively the lives of our clients and their clients respectively

OUR TEAM

Nozipho is the Founder and the Managing Director at Nozipho Zwane Attorneys. She enjoys advising clients on regulatory and compliance aspects of insurance & financial services laws.

Nozipho completed her LLB Degree at the University of the Western Cape in 2005 and joined a small firm in Pretoria where she served and completed her articles of clerkship on 1 February 2007. Nozipho was admitted as an attorney of the High Court of South Africa on 13 August 2007 and has since gained 15 years insurance experience having worked for two of South Africa's top insurance companies in various legal and compliance roles, with the last role as Legal & Compliance Executive of one of South Africa's top insurance companies.

EXPERIENCE

- Advising and providing training to financial service providers on regulatory and compliance issues within the Financial Sector Regulations sector (namely FAIS Act, FSR Act, the Insurance Act and other related pieces of legislation i.e. POPI Act and FIC Act).
- Providing general legal and compliance support to 3rd party Administrators, their respective Affinity groups, and funeral services providers.
- Draft and review of distribution agreements, relationship agreements, service level agreements, intermediary, outsourcing and binder agreements.
- Drafting and reviewing client facing documents in line with the requirements of the Policyholder Protection Rules (Long-term Insurance), 2017.
- Managing and dealing with Long-term Ombudsman and FAIS Ombud complaints.
- Provide guidance in the interpretation of legislation and impact thereof.
- Providing compliance support to ensure compliance and good governance.
- Advising and assisting with litigation matters in the Magistrates' Courts, High Court and Arbitration & Mediation processes.
